

Equal Employment Opportunity Statement
Qorvo US, Inc.
Updated May 2, 2016

Qorvo US, Inc. is committed to providing equal employment opportunity for all employees and applicants. It is our policy that decisions involving people are made on the basis of job requirements, independent of an individual's race, color, religion, sex, sexual orientation, gender identity, national origin, age, military or veteran status, physical or mental disability, and/or any other status protected by law. This includes decisions involving hiring, job placement, transfer, promotion, compensation, benefits, training and company-sponsored programs. Qorvo maintains formal employment policies, available online and by request.

All forms of discrimination and harassment based on a status protected by law are unacceptable by, toward or between any member of the work environment: co-workers, employees, managers, contractors and nonemployees with whom the company has a business, service or professional relationship. Nonemployees may be barred from the worksite and employees may be disciplined, up to and including dismissal, for conduct that is found to be inconsistent with the company's employment policies.

Harassment based on a protected status is a form of discrimination that encompasses a broad spectrum of verbal, written, physical and visual behavior that creates an intimidating, offensive or hostile work environment or interferes with work performance. Qorvo is committed to a workplace free of harassment. Examples of prohibited behavior include, but are not limited to: sexual advances, propositions and/or abuse; suggestive or offensive comments about an individual's body, gender, race/ethnicity, disability or veteran status; obscene, suggestive or offensive comments communicated verbally or through letters, notes, email, social media, website postings, photos, cartoons and/or jokes; and/or menacing behavior such as threats, coercion, slurs and epithets.

Employees and applicants are asked to report incidents of conduct that they believe to be discriminatory or harassing. All such reports will be taken seriously and will be promptly investigated. Retaliation for making a report will not be tolerated. Employees and applicants will not experience adverse consequences for making a good faith complaint, assisting in the review of a complaint, and/or opposing any act or practice made unlawful by applicable federal, state or local nondiscrimination law.

Managers, employees and on-site contractors are expected to help maintain an environment free of discrimination and harassment and to take appropriate action if an employment policy is not followed. Ralph Knupp, Vice President of Human Resources, is responsible for managing and auditing our employment policies and programs and will periodically report to me about their effectiveness.

Qorvo is also committed to taking affirmative steps to employ and advance women, minorities, protected veterans and individuals with disabilities. Our Affirmative Action Program helps ensure that our recruiting efforts reach and are open to a diverse group of candidates, and that equal opportunity for advancement is available to all employees. The value for a diverse workforce means that the company makes reasonable accommodations for religious beliefs and practices and for individuals with disabilities, unless providing accommodation would result in an undue hardship.
