Your Rights and Choices

This section describes your rights under the California Consumer Privacy Act (CCPA) and explains how to exercise those rights.

Request to Know

You have the right to request that we disclose the categories of personal information we collect, use, and disclose for business purposes. You may make a Request to Know twice within a 12-month period.

Request to Delete

You have the right to request that we delete your personal information, subject to certain exceptions. Once we receive and confirm your request and verify your identity, we will delete (and direct our service providers to delete) your personal information from our records, unless an exception applies.

Request to Correct

You have the right to request that we correct your personal information if you believe it to be incorrect. Once we receive and confirm your request and verify your identity, we will correct your personal information in our records.

Exercising Your Rights

To submit a request to Know, Request to Delete, or Request to Correct – or to request this Privacy Statement in an alternative accessible format – please submit a request to us by either:

- Using our [web submission form](#)
- Calling us at 1-833-458-0040
- Contacting us by email at privacy@gorvo.com

Only you or a person registered with the California Secretary of State that you authorize to act on your behalf, may make a request related to your personal information.

The request must:

- Provide sufficient information that allows us to reasonably verify you are the person about whom we collected personal information or an authorized representative.
- Describe your request with sufficient detail that allows us to properly understand, evaluate, and respond to it.

If you do not provide enough information for us to verify your identity or understand your request, Qorvo may contact you for clarification and additional verification. We cannot respond to your request or provide you with personal information if we cannot verify your identity or authority to make the request and confirm the personal information relates to you.

Response Timing and Format

We endeavor to respond to a verifiable consumer request within 45 days of its receipt. If we require more time (up to 90 days from receipt of the request), we will inform you of the reason and extension period in writing. If you have an account with us, we will deliver our written response to that account. If you do not have an account with us, we will deliver our written response by mail or electronically, at your option. Any disclosures we provide will only cover the 12-month period preceding the verifiable consumer request's receipt, except that for personal information collected after January 1, 2022, a consumer may request that the business disclose the required information beyond the 12-month period, and the business shall be required to provide that information unless doing so proves impossible or would involve a disproportionate effort. The response we provide will also explain the reasons we cannot comply with a request, if applicable. The format we select to provide your personal information will be readily useable and should allow you to transmit the information from one entity to another entity without hindrance.

We do not charge a fee to process or respond to your request unless it is excessive, repetitive, or manifestly unfounded. If we determine that the request warrants a fee, we will tell you why we made that decision and provide you with a cost estimate before completing your request.

Non-Discrimination

The CCPA provides that California consumers may not be discriminated against.
