

It is the policy of Qorvo to provide opportunities to small business concerns as part our material and service acquisition process. The term "small business concerns" includes small businesses (SB), veteran-owned small businesses (VOSB), service-disabled veteran-owned small businesses (SDVOSB), HUBZone (HZ) small businesses, small disadvantaged businesses (SDB), and woman-owned small business (WOSB) concerns, as well as historically black colleges or universities or minority institutions (HBCU/MIs) and defined by the U.S. Small Business Administration (SBA.gov).

It is understood that purchases for materials and services shall be consistent, to the fullest extent possible, with this policy and Qorvo's sourcing process. Acquisition procedures will conform to all applicable government regulations as detailed in Federal Acquisition Regulations (FAR) Part 19. In carrying out this basic statement of policy, the Sourcing Department shall ensure the following:

- The Sourcing Department will adhere to The Procedure for Subcontract Management in Government Contracting.
- Based on good business judgment and fair procurement practices, assistance will be rendered to help qualify SB, VOSB, SDVOSB, HZ, SDB, WOSB and HBCU/MI suppliers.
- Goals and objectives will be established in accordance with overall guidelines and periodic reviews will be conducted to assure progress towards the achievement of those goals and objectives.

The development of all types of small business is a worthwhile social and business endeavor and requires the full cooperation of all Qorvo employees.

Qorvo's Sourcing Department is responsible for the overall coordination and implementation of this policy. The Small Business Liaison Officer (SBLO) is appointed by the IDP business unit president and shall coordinate and assist with the duties required to comply with this policy.

For more information, contact Qorvo's SBLO by email at small-business-liaison-officer@qorvo.com.
