## Qorvo: Now Shaping Core RF Solutions for Our Customers

00:00:08.000 --> 00:00:10.840

The connected  
world is unfolding around us.

00:00:10.840 --> 00:00:18.200

A world without wires, where data and information  
move freely, connecting everyone and everything,

00:00:18.360 --> 00:00:21.360

unleashing the full potential  
of human experience.

00:00:21.960 --> 00:00:24.960

What we do makes that world possible.

00:00:25.280 --> 00:00:31.200

We're Qorvo, pioneers in RF solutions  
for mobile, infrastructure and defense systems.

00:00:31.600 --> 00:00:35.160

Founded on the combined  
resources, technologies, expertise

00:00:35.160 --> 00:00:38.400

and manufacturing  
capability of RFMD and TriQuint,

00:00:38.920 --> 00:00:42.600

Qorvo is one of the largest providers  
of RF solutions in the world.

00:00:43.560 --> 00:00:46.560

Our technologies are at the heart  
of everything that connects us.

00:00:47.520 --> 00:00:51.360

We have the broadest portfolio  
of core RF technologies in the industry,

00:00:51.880 --> 00:00:54.880

and we're leading the voyage  
into the future of wireless.

00:00:56.240 --> 00:01:01.920

At Qorvo, we help our customers discover what's  
next and help solve their toughest challenges.

00:01:02.480 --> 00:01:08.440

We eliminate barriers to innovation so they can bring

their most powerful ideas to market in record time.

00:01:08.920 --> 00:01:12.960

We deliver all the critical RF building blocks needed to simplify designs,

00:01:13.240 --> 00:01:17.400

reduce size, and conserve power while improving system performance.

00:01:17.880 --> 00:01:22.920

Our combined expertise in compounds, semiconductors, silicon and filters gives

00:01:22.920 --> 00:01:26.920

mobile customers the ability to create the most advanced RF and power designs.

00:01:27.520 --> 00:01:31.680

We're a leader in infrastructure and defense with a broad portfolio of products

00:01:31.680 --> 00:01:35.480

and foundry services for applications including radar, base stations,

00:01:35.600 --> 00:01:39.320

cable TV, optical communications and the Internet of Things.

00:01:40.680 --> 00:01:43.680

We exist to help our customers innovate.

00:01:44.080 --> 00:01:45.840

We think, end to end.

00:01:45.840 --> 00:01:46.920

We listen.

00:01:46.920 --> 00:01:49.200

We co-architect.

00:01:49.200 --> 00:01:53.000

We do this because we believe a connected world is a better world.

00:01:54.120 --> 00:01:56.200

Qorvo all around you.
